

Black Bear Festival Sponsorship 2017

Oct. 21, 2017 10am-6pm/Oct. 22, 2017 10am-5pm

The 11th Annual Black Bear Festival is an exciting opportunity for the community to promote a fun, family event that will celebrate the beauty of downtown Chatsworth dressed up in fall splendor! Through the generous help of community minded businesses and individuals, this will bring downtown Chatsworth alive with the sights and sounds of the season.

We would like to have you partner with us as a sponsor and join in on the fun. There are many ways you may be able to help the Black Bear Festival and support your community at the same time. Here are just a few:

- Sponsorship: We rely on the generous donations of businesses and individuals to support our efforts in making this festival a premier attraction for Murray County.
- Volunteer Groups: Many companies have found it beneficial to loan a group of employees to help with events in the community. Working as a group outside the workplace helps to build employee relations, morale, and communication. We need volunteers!
- In-Kind Support: We have many needs to make this a great event. Can you or your company help us by providing a service or materials?

We can assure that Murray County remains a thriving and vital place for all of us to live and work. With your help, we hope to do our part.
