Welcome to Murray County Chamber of Commerce Leadership Murray Class of 2019-2020.

On behalf of the Chamber of Commerce staff, Leadership Murray Committee, and Board of Directors, we would like to say congratulations on your decision to participate in one of the best programs at the Chatsworth- Murray County Chamber. We have graduated over 200 people from this program and watched many move into major leadership roles in politics of the community, leadership in non-profits as well as leadership within their business organization.

You will develop leadership skills, increase your knowledge of Murray County, and have a greater vision for the community. You will also build long lasting relationships within the community.

You will learn more about how your local government works, the role the schools play in our community, the importance of businesses and the need for an active and progressive economic development program, the need for health care and social services in a viable community, and the fact that tourism can become one of the largest and most profitable business segments for Murray County. You will also visit state government in Atlanta and leave with a new understanding of the state legislative process.

We will all be ready to celebrate your graduation in May 2020 and will encourage you to become involved in the Leadership Murray Alumni at that time.

We are looking forward to getting to know each of you better during these months we will have together. Please know our door is always open to you.

Sincerely,

Chatsworth-Murray County Chamber of Commerce
